Whereas in answer to a resolution of the Senate of the 8th day of May, 1878, the commissioners of the District of Columbia, on the 13th day of the same month, transmitted a report to the Senate on the subject of church property in default of taxes in said District, accompanied by an exhibit thereof in detail; and	
Whereas on the 8th day of January, 1879, said commissioners were directed by a resolution of the Senate "to inform the Senate what churches, colleges, school-houses and educational institutions have been subjected to assessment and the payment of taxes for general or special improvement since June 17, 1870, and what sums of money, if any, have been received in respect of general and special taxes on churches, colleges, school-houses, and educational institutions since June 17, 1870, and what taxes, if any, have been remitted or refunded in respect of colleges, school-houses, and educational institutions, the amounts so remitted and the authority under which such remissions and repayments have been made;" and	
Whereas said commissioners have omitted to respond to the last-mentioned direction: Therefore,	
Be it resolved, that said commissioners be directed to report to the Senate, as soon as may be, fully upon the subject of the last-named direction, and to report further what steps have been taken since their report of the 13th of May, 1878, in respect of enforcing the collection of the unpaid taxes therein named, to what extent and in what cases such collections have been made and in what cases such collections have not been made, and for what reasons.
